OFFICE OF THE ASSESSOR, DISTRICT OF COLUMBIA.

WASHINGTON, May 9, 1907.

Rev. W. L. Davidson
Sec. American University,
1419 F St. N.W.
City.

Dear Sir:

I return your bill herewith. There is no change in the amount of the tax. Parcel 22/1 has been erroneously valued on the bill as $59552, the correct value being, as now written therein, $58952. As the total assessed value was correctly given at $148,019, there is, as I have stated, no change in the amt. of tax.

The records show your original holding to have been 87.42 acres, as against the present 80.69 acres. The difference, of nearly 7 acres, has been taken for the extension of Mass. avenue. If you desire further information, however, call on Mr. W. P. Richards, District Surveyor, in the City Hall, who will be glad to give you the facts as shown of record.

Very truly yours,

J. S. Petty,
Asst. Assessor, D.C.
