Dr. Samuel L. Peiler;

My Dear Sir;

I have secured from Dist<sup>ct</sup> Com<sup>miss</sup> a correct outline of the An. University grounds & surrounding streets. I have directed that a print of it be sent you from our office.

Will you please send to our office (Brookline) a print of the excavation plan you showed me. Great care should be taken to have the Hall of History parallel with Nebraska Ave. & your surveyor should get the needed facts from the District Com<sup>miss</sup>.

Yours very truly,

John C. Clusted.
