Dear Sir

The writer missed seeing you in New York, getting there too late.

We are doing our best to hasten the work, and expect to be able to make the first shipment in 6 weeks.

Our speciality in Lithography is colored work, however black diplomas to show. If you want an illuminated diploma, such as the Merrim Audsley are so competent to do, we should be pleased to estimate on same.

Yours truly  
Taber Prang Art Co
