My Dear Dr Davidson

*459 High St
Newark N.J
July 14th 1903*

I suppose you & Bishop McCabe will have started in Canton before this reaches Washington, if so he will have told you of our interview with Pierpont Morgan - He has promised us to look into the matter & I gave him the chart of the buildings the addresses delivered at the Corner Stone laying of Bishop McCabe's appeal - I do hope he will do something for us - I intend to keep in touch with him -

I went to see about the Stucky matter, saw Dr Willey this week - He says Mr Willey will positively pay the \$1000 sum due within the year from the time of Mr Stucky's death

The only other encouraging feature I met
with this week was a promise from Mr
Pearsall of Ridgewood to help us after
a while - He is just now at the head
of a movement to bring up our Veteran
Minister's Indowment Fund to a hundred
thousand dollars & is giving liberally
to that he sent me a thousand dollar
check in that last Conference & is
giving more this year, he said "After
I get through with that matter I will
see what I can spare for the Movement -
Next week I am going to try it
in New England again - I shall
probably call on Mr Weston & tell him
what we are doing but in view of
the contemplated visit to him by
Bishops McCabe & Mallalieu I shall
not ask him for anything - I do not
wish to interfere with their plans -
But as I expect to be in Springfield, it will
be best for me not to neglect seeing him -
With best wishes,
Sincerely
Abel Tuttle
